

The **Next Step** in Your Coaching **Journey**

Erickson + is an app and coaching community that provides our learners with an opportunity to maintain and strengthen their coaching skills. It provides an effective bridge between the course learning and staying connected and continuing to grow after graduating with Erickson. Our mission for Erickson + is to create a community of coaches that are committed to keeping their coaching muscles strong and expanded. Our commitment to you is to provide relevant training and resources to help you develop regardless of what stage you are at in your coaching career.

Who is it for?

Erickson+ is for all Erickson students and graduates - no matter where in the world they come from or when they studied with us. It offers a place where we can all continue learning, to link up to practice coaching, where alumni can network and share their experiences, and also where we can connect around being solution-focused coaches committed to changing the world one conversation at a time. We are committed to providing support and a sense of community - not to mention relevant resources that help you to continue learning.

How does **Erickson+** help graduates?

Coaching Practice - Gain coaching hours with hundreds of coaches from around the world. With such a variety of belief systems, metaprograms, and perspectives to practice with, your coaching muscles are sure to stretch and strengthen. As the saying goes, "Use it or lose it."

Community Energy - Being a coach or entrepreneur can sometimes feel lonely. Being a part of a like-minded community provides both inspiration and motivation toward your coaching goals.

Continue Mastery - Coaching is an evolutionary profession. Our Erickson Facilitator-led Masterclasses allow you to continue being on top of your coaching game.

Practical and Transformative Resources - From client administration to coaching demos to personal expansion exercises, your growth as a coach and a person, is covered in Erickson+.

Connection - Attend monthly events focused on engagement and networking opportunities to collaborate with your diversely-skilled Erickson colleagues.

Practical Coaching Business Essentials (PCBE) - Learn the business side of coaching: strategies, tools, and insights that help you start earning as a coach.
