

AGENDA World Game Conference

Welcome to the World Game Romania 2025!

The experience in Romania will provide a space for deep reflection, skill-building, and co-creation. At the same time, it will also encourage giving back - ensuring that empowerment is not just an individual journey but a collective movement toward a better world.

What's in it for you as a World Game participant?

Step into a space where you belong from the first moment. You'll **feel safe, seen, and inspired** - not just by keynotes and concepts, but by people who share your values and **spark your passion for change**.

You'll **form meaningful connections** through laughter, movement, reflection, and shared co-creative moments. You'll join a global tribe of coaches, creatives, and changemakers — and together, you'll turn big dreams into bold, high-impact action.

Through real-life impact, Team Coaching, and soul-stirring stories, you'll grow in confidence, purpose, and clarity. You'll **co-create a project that matters** - and walk away with a tangible MVP, a trusted team, and a roadmap for what's next. This is more than an event. It's a launchpad for who you're becoming - **grounded, empowered, and ready to ignite the future**.

Come as you are. Leave as a changemaker.
